Re: Cannons Engineering Superfund Sites - Londonderry Pre-Design Studies

Dear Mr. Thomas:

As of today, twenty-two (22) companies have expressed their willingness to undertake the Londonderry Pre-Design Studies as described in the Administrative Order and the Work Plan. Attached is a list of those 22 companies and their executed consents. Accordingly, at this point, these companies will comprise the group of Respondents for the Administrative Order.

I anticipate one or two additional companies may also indicate their intention to participate and I would expect to receive their signed consents by the end of this week.

At our meeting this afternoon, I also anticipate discussing the next formal steps in this process.

Very truly yours,

Harry M. Carey, Jr.
